

QUESTIONS

INTENT

- › How shall St. George's sustain and evolve its mission into the future?

STEWARDSHIP

- › What is an appropriate synthesis of preservation and change?
- › What is a desirable approach to the graveyard and courtyard?

LOCATION

- › Is it important to have all current functions and activities on-site?
- › If any current or future activity were to move off-site, where would it go?

ACCESSIBILITY

- › How to make the facility as welcoming as the St. George's community?
- › Is it possible to (re)configure entrance(s) and improve internal circulation?

POSSIBILITIES

CHURCH

- › The Entrance, Narthex, Nave, and Gallery are unchanged.

SYDNOR HALL

- › The George Street entrance doors are made ADA compliant.
- › The Fellowship Hall configuration is essentially unchanged.
- › The Kitchen + Storage configuration are essentially unchanged.

FAULKNER HALL

- › Faulkner Hall is essentially unchanged.

McGUIRE HALL

- › A new elevator connects all levels of McGuire and Faulkner Halls.
- › The McGuire Hall entrance remains the main Visitor Entrance.

GRAVEYARD + COURTYARD

- › The Graves are surveyed, analyzed and a conservation plan is developed.
- › The possibility of a Columbarium is explored.
- › The Courtyard walkway is modified to ADA accessibility standards.
